

LED ELLF

Portable Airfield Light
MOS 139 compliant portable lighting

Features

- 100% compliant MOS139, Low and Medium Intensity edge light
- Light output matches PAL permanent lights
- Simple push button operation
- All aviation colours available
- 100% Australian made
- Long battery runtime

Easy deployment

- Using the rope handle several ELFs can be carried with one hand.
- The ELF can be deployed from a slow moving vehicle, making the runway usable in minimum time

Shipping Dimensions

- 1 Carton, 2 lights
- Length 285mm, Width 190mm, Height 300mm
- Weight 2.6kg
